Saftey is our # 1 priority

There will be two porta pottys on sight one for the men and the other for the ladies, a Kwik trip isn't far away if supplies are needed as well as small towns.

Please bring Food for yourself and family we are planning a big meal for Saturday but bringing your own food to add to the main course will be a must. Your own source of adult beverage is requested, if we get bigger and have a slush fund eventually this will be held early for logistics.

Disclaimer: All funding if this were to happen will have to be used sense, we do not make any money off of what we do and we prefer to keep it that way.
